There was a Dream

Dear reader, it is safe to assume that you use Wikipedia. And you use it repeatedly. It helps you answer many very important questions. It is possible due to the fact that, at the moment, Wikipedia is the largest and most relevant encyclopedia created by humankind. Also, it is the fastest source to get any information. And it's perfectly true.

But, there's a problem. There is the obstacle which has been interfering with users and us, the creators of WIKI 2, for over a decade now. Wikipedia offers great content, but it is also looks very old-fashioned in terms of its appearance. Its interface is not always user-friendly, there are serious problems with readability, and a real disaster when it comes to aesthetics. And, judging by the progress, it's going to stay this way either for a long time or for good.

We suffered and dreamed. We waited for a long time. And when we grew tired of waiting, we decided to fix it all ourselves. We've brought together the best of the best and we worked hard. Thus, we have created WIKI 2 which is the magic mirror which reflects
